

With 80% of mobile traffic starting and ending indoors, in-building wireless networks are now as important as water and electricity.

For building owners & operators, reliable in-building connectivity is a way to increase property values and retention – and a way for companies to both improve productivity and to attract and keep talented employees. In fact, wireless coverage is needed everywhere groups of people gather.

T-MOBILE HELPS BUILD INDOOR WIRELESS NETWORKS FOR:

- ARENAS / STADIUMS
- CASINOS
- COMMERCIAL REAL ESTATE
- GOVERNMENT BUILDINGS
- HOSPITALS
- HOTELS
- MALLS
- MILITARY FACILITIES
- RESORTS
- RESIDENTIAL BUILDINGS
- UNIVERSITY CAMPUSES
- WAREHOUSES

BUILD YOUR OWN COVERAGE (BYOC) WITH T-MOBILE

Make sure your building is ready for the future. Work with T-Mobile to create a custom in-building cellular solution and experience outstanding cellular coverage – even when your building is at its most crowded.
